

MISSION & VISION

VISION OF LESEDI LOCAL MUNICIPALITY

The Vision of Lesedi Local Municipality is to be a **People Centered** and **Performance Driven** municipality

MISSION OF LESEDI LOCAL MUNICIPALITY

The Mission of Lesedi Local Municipality is to strive to :-

- Provide access to quality, affordable and sustainable services;
- Professionally fulfil and sensitively address the needs of the entire community;
- Create a safe and healthy environment in which various people of the community can co-exist;
- Empower the human resource component of the municipality to monitor and improve productivity;
- Facilitate growth and development;
- Embrace sound management practices and a culture of accountability;
- Promoting the “Batho-Pele” (*People First*) principles;
- Optimally utilize natural resources at its disposal;
- Encourage a commitment to excellence.
