ANNEXURE A: SCOPE OF SERVICES

THE MATERIAL AND LABOUR SUPPLY FOR HOUSING ELECTRIFICATION IN RATANDA EXTENSION 8, FOR THE ELECTRICAL DEPARTMENT IN LESEDI LOCAL MUNICIPALITY.

1. Background

The department of Human Settlement had project for construction of RDP Houses for the community of Ratanda in extension 8, the project was divided in phases and the houses were constructed and completed in phases which has left few of newly constructed houses without electricity installation due to late completion of those houses and the houses are now occupied by the allocated owners/ tenants with no electricity and it is therefore essential that we install electricity to those houses as to comply with the Municipality Housing regulations.

Scope

This contract calls for the supply and installation of housing electrification in Ratanda extension 8 for newly constructed and identified RDP houses with no electricity for Electrical department in Lesedi Local Municipality.

Purpose

The purpose of this document is to prescribe the bid specification requirements for all safety equipment in LLM: Electricity Department.

It is also a requirement that the successful bidder/s will be requested to provide specifications of the equipment.

3. Normative references

The following legal requirements and standards contain provisions that, through reference in the text, constitute requirements of this specification. At the time of publication the editions indicated were valid. All standards are subject to revision and all bidders bidding on this specification are requested to investigate the possibility of revisions to the documents in order to ensure that they comply too the most recent editions of the documents listed below. Information on currently valid national and international and CKS documents may be obtained from Standards South Africa.

Occupational health and Safety Act, Act No. 85 of 1993 (OHS Act)
